MAD RIVER VALLEY TELEVISION NON-PROFIT COMMUNITY PARTNERSHIP

Mad River Valley Television’s mission is to provide equipment, training and airtime to community members and organizations to express their views, opinions, interests and to document their lectures and events for archival purposes.

We understand that some organizations for whatever reason cannot provide a volunteer producer to work with the MRVTV staff to document their events. MRVTV is willing to provide camera operator for the sum of \$60.00(first 2hrs) \$20 hr for each additional hour.

MRVTV will provide:

1@ Camera Operator w/ Sony PD-150 or PD-170 w/ Rode NC- 1 microphone and one additional microphone (wireless microphone set-up or Rode NC-1)

2@ DVD of the event

1@ digital file which can be uploaded to the MRVTV CloudCast VOD player and/or directly to the organizations YouTube, Vimeo channel, where the video can be shared with anyone, anywhere around the world who has access to the internet.
